

USRP Product Selection

Prepared for: Riccardo Giuntoli (r.giuntoli@protonmail.ch)

Based on your inputs to the USRP Product Selector (www.ettus.com/product), Ettus Research recommends the following configuration:

Part Number	Product Name	Quantity
782746-01	USRP N200	1
782759-01	WBX-40	1
782778-01	USRP N200/N210 Rackmount Kit	1

For an official price quotation valid for 30 days, if you have additional inquiries, or need assistance selecting USRP antennas and accessories, please send an e-mail to sales@ettus.com. You may place an order at www.ettus.com or by contacting sales@ettus.com or your local distributor.
